

Legacy Donation Guidelines and Application

The Silver Sands legacy donation program is for owners, residents, family or friends who would like to make a donation to be used for the benefit of the community. Donations may be from individuals or from groups. Legacy donations will be permanent, irrevocable contributions to Silver Sands and are not tax deductible. All gifts will be acknowledged on the legacy donors page of the community website unless requested otherwise.

Donations can be in many different forms and may be general or for a specific purpose such as the purchase of a tree or park bench, funding of a special community project and/or any other board approved gesture, gift or activity. The wishes of donors will be accommodated whenever possible but are subject to HOA policies and practices. The board will oversee the program and make the final decision after consultation with the committees related to the type of donation.

Upon board approval of the application, the donor pays all expenses to purchase, place and/or install the donated item. Funds must be received in advance of purchase by the association.

Silver Sands will be responsible for the maintenance of all donated items and reserves the right to remove, replace or relocate any donated item including plant material upon approval of the board of directors. These guidelines may be amended by the board of directors at any time.

Prospective donors are invited to discuss their ideas with the board and/or relevant committee(s) before submitting an application.

Application Form

Name of Donor	Silver Sands Address
Permanent Address (if different)	City State/Province Zip/Postal Code
Email	Phone #1 Phone #2
